Dear Uwem:

We did not receive your client's Second Request for Production of Documents on April 4, or at any time prior to 5:45 pm on May 16. Although this is way past the date by which they were required to be served, we nonetheless will respond within the time proscribed by the Federal Rules. Please note all of the requested documents in our clients' possession previously have been produced to you in response to requests served by both plaintiff and the co-defendants.

Since your client is not available on the May dates we proffered, please provide at least two dates for your client's deposition during the week of June 2.

Thanks.

Deborah

I have not received anything from you in any of our offices since we got the music disk. Apparently, you did not send it at the same time you most recently sent it to Harold? Please send another copy to my Edison, New Jersey office, where I will be next week. The address is

The one you sent weeks ago to my NYC office was the one with nothing but music on it.

When and where did you send the replacement CD?

Dear Deborah and Uwem: I have reviewed plaintiff's proposed revised scheduling order and co-defendants' proposed changes. I am in agreement with Deborah's proposed changes thereto, and would additionally request that the "end of factual discovery" be by JUNE 30, 2008. Please let me know your thoughts as to same. Uwem, I have now

received the updated CD from your office -- please provide me with the date, time and location of the conversation contained thereon, and the participants of same, and allow this letter to serve as my formal demand for same. Thanks.
